Upper Orewa 0873

Applicant:
Wood and Partners Consultants Limited
PO Box 6752
Wellesley Street
Auckland

Note: A final Engineering Approval Completion Certificate (EACC) issued in respect to all the engineering works covered by the above Approval.

The Statement of Certification has been signed and dated by:
Tim Rickards, Wood and Partners Consultants Ltd, dated: 1/08/2022
The As-built plan has been signed and dated by:
Samantha Muirhead, Wood and Partners Consultants Ltd, dated: 28/07/2022
Auckland Council Regulatory Engineering is satisfied upon reasonable grounds that: these works, certified by Tim Rickards have met the requirements of the Engineering Approval.

This Engineering Approval Completion Certificate is granted subject to the following conditions:

- That 24-hour access to public infrastructure on private land be provided to Auckland Council, Watercare and its representatives in accordance with the Local Government Act 2004.
- That a post-construction audit may be carried out of these works.
- That subsequent to this audit, if the works associated with this consent are found to be deficient in any way, remedial works and / or revised documentation may be required.

Signed for and on behalf of Council on this day: 28th August 2023
